

English to French (Canada) Revisers – Permanent & Freelance Positions

We are seeking experienced and reliable English to French (Canada) revisers who are passionate about language services. Permanent employees and freelancers can be working from our office or remotely from their home office.

Responsibilities

- Revisers are responsible for ensuring All Languages delivers a consistently high standard of translations to our clients
- Projects come from clients in a wide range of industries, so we require people that have general and/or specialized domain experience
- Projects must be delivered on time and on budget, which means you have to be very disciplined and able to work well under pressure

Revision Functions

- Revise translations for accuracy by comparing the source and target texts, making corrections as required
- Check target documents for formatting issues or missing content
- Provide translators with feedback regarding the quality of their work

Education and Experience

- A university degree in translation or a related field
- 10+ years of demonstrated translation experience
- A minimum of 3 years of experience as a reviser
- Certification as a translator by ATIO, OTTIAQ, or any CTTIC-recognized organization is an asset

Skills

- Linguistic and technical competencies in both French (Canada) and English
- Familiarity with translation tools, such as SDL Trados
- Ability to work effectively under pressure
- Good teamwork skills
